

**ORANGE UNIFIED SCHOOL DISTRICT  
GOVERNING BOARD MEMBER  
TRUSTEE AREA 3**

**CHRISTOPHER L. SALORIO**

**OCCUPATION:** Vocational Teacher/Businessman

My goals are to:

Keep our schools safe.

Decrease class size.

Maintain competitive salaries for teachers.

Encourage faculty participation in district decisions.

Develop faculty and student skills in educational technology.

Increase the awareness of cultural diversity.

Modernize our school facilities.

Educational background: Graduate from Orange Unified School District, Bachelors Degree in Political Science and a Minor in Criminal Justice from California State University of Fullerton.

My wife and I attended Orange Unified Schools and currently have three foster children attending school in the district. I will show the courage to stand up for our children. I will insist that finances be spent in the classroom by attracting and retaining qualified teachers. My efforts will consistently embrace an emphasis on English and Mathematic skills, advocating that each child should reach their highest potential.

I will work diligently to enhance the educational experience for all students. With the modernization and small class sizes, collectively we can achieve these goals. Throughout my term, I will continue to look for new ways to better serve our students, teachers, parents and administrators. I thank you for your support and look forward to working with you in the near future.

I respectfully ask for your vote.
